

Drawing on Potential

A one day course at Kaapeli, Monday 8.10.2012 (09:00 – 15:30)

What is the course about?

This course will teach you strategies to realize your creative potential through the process of drawing. It will open up a completely different way of thinking whilst learning new skills that can help with problem solving.

What level is the course?

Suitable for beginners

What will the course cover?

Contents - You will be encouraged to use drawing as a thinking tool. Applying this approach the course will give a practical introduction to how artists have employed drawing to discover new ideas.

Projects - Participants will have the opportunity to draw and there will be a step-by-step guide to the basics of proportion and measurement, composition, tone and lighting.

Themes – The course aims to give you an insight to perception and the nature of a creative process whilst developing courage, energy and personal ideas.

Materials include pencil, charcoal and pastel.

What can I expect to achieve?

By the end of the course you should be able to :-

- Feel confident about exploring new approaches to problem solving
- Understand different ways of seeing and thinking
- Recognize and apply your creative potential
- Draw more accurately from observation and articulate concepts
- Use drawing as a process to explore and express ideas
- Look at and take inspiration from the work and practice of a variety of artists.

How will I be taught?

Short talks, practical work, one to one tutoring, handouts, group discussion, and demonstration.

Course fee: 400 € (+VAT). Max 12 persons.

Who can I contact for further information and registration?

Kaisa Kerätär, Taidepaussi Ky, 045 – 124 2050
